MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Deputy Director of Central Intelligence
Executive Director

FROM: Stanley Sporkin
General Counsel

SUBJECT: Homosexual Policy

1. Yale Law School has joined Harvard Law School in raising questions concerning our policy with respect to homosexual activities. While Yale has not taken the extreme step of prohibiting us from recruiting on campus, the law school has indicated that in order to recruit we would have to submit to an administrative inquiry by law school officials.

2. After talking with [redacted] who is personally in favor of our recruiting on campus, I believe that it is not a propitious time for us to debate our policies. Therefore, I propose to cancel our recruiting trip this Fall by sending the attached letter. I believe it is imperative that you be made aware of this matter so that you realize the potential for other top law schools to take similar actions with respect to Agency recruitment activities in the future.
